**Customer of Sky Auction Group**

Dear Customer,

We thank you for your interest in purchasing vehicles from Sky Auction Group for international export. We pride ourselves on our reputation and strive to make the auto buying process as simple as possible.

You are required to leave a \$300 deposit in order to hold a vehicle of your choice pending the transfer of funds for the balance due.

Your agreement to use our preferred independent shipping agencies for the exportation of vehicles purchased from Sky Auction Group does not make Sky Auction Group responsible for your shipping needs. It is the responsibility of the customer to liaise directly with the shipping agent for all their shipping needs.

For your convenience we offer funds transfer facilities so we can receive the shipping fee combined with the full payment for the vehicle. We then immediately forward the necessary amounts to any of our preferred shipping agencies.

References are available from all of our preferred shipping agencies. Our Terms and Conditions, as well as a list of these agencies is available at [www.skyauctiongroup.com](http://www.skyauctiongroup.com).

Vehicles will only be released for export once all payments have cleared.

**Regards**
